

King/Queen of the Jungle

Equipment: beanbag or ball for every student and boppers for the taggers

Game: Select several players to be it. Everyone else holds one beanbag. If the person is tagged, they must put down the beanbag and do 10 jumping jacks. While doing the jumping jacks, someone else is free to take their beanbag. They must then watch to see who gets tagged next and try to recover a beanbag. When time is called, whoever has the most beanbags is the king/queen of the jungle
